Ryan O'Hara was a junior at the University of Delaware after graduating from Washington Township High School in 2004. On February 12, 2007, Ryan was hit by a driver running a red light and sadly passed away. He loved education and music. He was studying to be a History teacher and with a minor in German. He was a member of the WTHS and UD Marching Bands.

In June 2007, the Ryan O'Hara Memorial Fund was established to provide two awards to WTHS seniors – The Spirit of Ryan Instrumental Music Award and the Ryan O'Hara Distinguished German Award. The Ryan O'Hara Memorial Fund will continue these awards and introduce a new University of Delaware History Award in 2009.

Your generous donations will enable us to insure the spirit and memory of Ryan O'Hara lives on with students interested in music, German and teaching. We thank you for your donations.
